

**Website Accessibility Statement for Private Entities referred to in
Article 3, paragraph 1, of Law No. 4 of 9 January 2004**

Statement

Chiesi is committed to making its website accessible, in accordance with Law No. 4 of 9 January 2004. This statement applies to **www.chiesi.com**

Compliance status:

Partially compliant

This website is partially compliant with the requirements of Appendix A of the UNI CEI EN 301549 standard due to the non-compliances listed below

Non-accessible content

The content listed below is non-accessible for the following reasons of non-compliance with Law No. 4 of 9 January 2004:

C.9.1.3.1 – Info and Relationships: in some cases, information, structure, or relationships conveyed through presentation cannot be programmatically determined (or are not available in text).

C.9.1.3.2 – Meaningful Sequence: in one case, the visual order does not match the keyboard navigation order.

C.9.1.4.3 – Contrast (Minimum): some text does not meet the minimum contrast ratio requirement.

C.9.2.5.3 – Label in Name: in some cases, the visible text of user interface components is not included in their accessible name.

C.9.3.1.2 – Language of Parts: in some cases, the language of a passage or phrase in the content is not programmatically identified or properly indicated, preventing assistive technologies from determining the correct language of the content.

C.9.4.1.2 – Name, Role, Value: some components do not correctly expose their name, role, state, properties, or relationships.

PDF documents on the website are not yet fully accessible. We are working to improve their usability and ensure an accessible experience for everyone.

Preparation of this accessibility statement

This statement was prepared on 12/10/2026

The assessment was **carried out by a third party** through objective and subjective analysis (see Article 3, paragraph 1, of EU Implementing Decision 2018/1523 of the Commission).

The statement was last reviewed on 12/10/2026, following the recommendation to periodically review (at least annually) the accuracy of the statements contained in this accessibility statement.
